# DSI® Financial Services

DSI® Offers Flexible Financing For Your Mobility And Technology Solutions To Help You Preserve Working Capital And Lines of Credit.

Budget constraints should never be a barrier to acquisition of a much-needed technology solution. That's why Data Systems International® (DSI) offers flexible financing options through DSI Financial Services. You can finance the technology solutions you need while preserving your working capital and lines of credit, and aligning the expenditure with your investment.

## Why Use DSI Financial Services?

DSI's affordable, 100% financing options offer competitive rates and flexible payment terms. You won't pay any upfront fees when you utilize DSI Financial Services, and payments through this offering are usually lower than most financing options available from other providers. We'll make sure the process is easy, the solution affordable, and the payment terms agreeable.

## What Can You Finance?

- Servers
- Mobile computers and data collection devices
- Printers
- Software
- Maintenance
- Services
- Training

## Why Should You Finance?

Financing your technology solutions makes good business sense. Utilize DSI Financial Services to:

- Preserve your working capital and lines of credit
- Stabilize your cash flow
- Enable accurate budget forecasting
- Hedge against inflation
- Maximize your return on investment

## Get More Information

Ask your DSI Account Executive for more information. We will work with you to tailor a financing package to meet your business needs.
